HERE *for* PURE

Herbal Supplements Pvt Ltd (HSPL) started its operations in 1997 with an aim to supply best quality spice and herbal extracts across the globe. Our desire for innovation while cuddling in the lap of Mother Nature, and an urge to bring forth her fruits to the world led to the emergence of Herbal Supplements private Ltd (HSPL). Today, we have become one of the promising companies in India, focusing on the supply of spice and herbal extracts universally. The company has extended its arms to a wide range of products demanded in the global food and supplement market.

Herbal Supplements Pvt Ltd uses the most modern extraction technologies and State of the art manufacturing facility to ensure the quality of the products. The company has many raw material sources across the globe and has expert analysts who ensure that top quality raw materials are used in the production process.

Currently, HSPL has more than 100 employees working under its belt and the company has successfully grabbed a major share in many foreign markets including US, Japan and several European countries.

# SUSTAINABILITY

At HSPL we use our scale and expertise to enable a more sustainable future. We ensure that we minimise our impact on the environment throughout the value chain. By reviewing our practices, establishing better waste management initiatives, and evaluating our overall supply chains, we are able to take measurable steps to creating a greener future. We are dedicated to environmental improvements that foster a sustainable future and lead to social and economical improvements in the community we do business.
